

### **Welcome Robert A. Lieb, Jr.**

The Houston Northwest Chamber of Commerce is pleased to announce that Mr. Robert Lieb will join the staff as Community and Economic Development Director effective Monday, May 8, 2017. Bobby will assume responsibility for business recruitment and retention, community marketing and Grow Northwest Project implementation.

Bobby brings to us from his hometown of Durango, Colorado, a strong background in community and economic development. He served as the executive director of both the La Plata Economic Development Action Partnership and the Durango Chamber of Commerce. He worked in commercial development in Durango, overseeing the development of a 200-acre business park in that community. Most recently, Bobby served as a La Plata County Commissioner and a general manager for Durango Threadworks, overseeing the properties for that enterprise.

“We are tremendously excited to welcome Bobby to our community,” says Barbara Thomason, “as he will be engaged very quickly and we anticipate he will fill a very important void we have had since the beginning of this community.”

A reception will be held to allow the Cypress Creek community to meet our new economic development director on Tuesday, May 23<sup>rd</sup>, 5-6:30pm at the new Hyatt Place Vintage Park at 20330 Tomball Pkwy., Houston 77070. The Chamber asks for attendees to [RSVP online](#) for this event to insure enough food and beverage is on hand.
